

PRE-VISIT MINUTES HELD AT CNC/FAB WORKSHOP ON 23RD MARCH, 2022 AT 11.00 AM

AGENDA

Pre-visit of Tender No. NMC/ONT/055/2021-2022

Introduction

The pre-visit for the proposed tender No. NMC/ONT/055/2021-2022 for the proposed supply, delivery, installation, testing, training, and commissioning of one (1) CNC 5 Axis Universal Milling Centre (UMC) machine was held at the CNC/FAB workshop where the machine will be installed.

The following questions were asked by the tenderers

1. The tenderer asked if they are allowed to quote for other brands for holders apart from HSK as stated in the Specifications in the tender document.

NMC response

Specifications remain unaltered

2. The tenderer asked if the tool changer should be SMTC or other alternatives are allowed.

NMC response

Only SMTC is accepted

3. The tenderer asked if mandatory holders with different part numbers but with the same specifications can be supplied.

NMC response

It is allowed so long as it is compatible.

4. The tenderer asked if the submission time frame can be extended by two weeks.

NMC response

The submission date will remain unchanged
